The world economic crisis left a deep impact on global economy, fortunately it did not have much effect on the growth of the hotel and kitchen Industry in India due to strong & steady demand for the related product. I take pride to report that our company delivered strong business results which was 100% higher than the preceding year. I wish to reaffirm our commitments to innovation which will continue to be at the Heart of everything we do - be it in our products or in our communication with our customer's. I would also like to attribute the growth over the past years to our employees who have demonstrated their ability to deliver the best.

I would like to thank our clients for their resolute trust in our company and look forward for their continued support and participation in the growth of the company. Our reputation is earned by our conduct, what we say, what we do, the product we make, the services we provide and the act we treat our customers. As conscientious citizen we want to do what is right and this is the only way to do business.
